## Foster Show Affiliation 2019/2020

We are currently in the process of planning the 2020 Foster Show to be held on Saturday 22<sup>nd</sup> February 2020. After experiencing a recess in 2019, we are working hard to try and ensure we can provide our community with an agricultural show for many years to come.

In our endeavour to persist as a great local event within South Gippsland we are now offering show affiliation. Funds from affiliation will serve as advanced cashflow for the show committee to secure show day attractions. Becoming a show affiliate provides you the opportunity to get involved in your agricultural community by supporting a local event and proving there is still interest in country shows. Affiliation fees are the same as show day entry fees with some added benefits.

As a show affiliate you will be entitled to:

- entry on show day (tickets will be posted/emailed prior to the event)
- free entry to unlimited pavilion competitions
- complimentary cuppa and cake/scone on show day

If you have any questions about becoming an affiliate of the Foster Show please don't hesitate to contact me at [fostershow@gmail.com](mailto:fostershow@gmail.com) or on 0425 728 525. We would love your support of our show and look forward to seeing on show day in 2020.

Yours faithfully,

Denia Gilheany  
Secretary
